## PROJECT EXPERIENCE

### Cheese MVC Web App (LC101)

- Built databases using MAMP
- Programmed three separate controllers with several routes on each
- Used Thymeleaf to format HTML pages

## WORK EXPERIENCE

### Code Sensei, Code Ninjas, O'Fallon, MO, February 2019 – Present

- Tutored children ages 6-14 in computer science
- Debugged student projects made in Scratch, Javascript, Studuino, and CodeCombat

### Sales Associate, Kohl's, O'Fallon, MO, October 2018 – February 2019

- Stocked and organized departments and stockrooms to handle daily shipments
- Answered phones and helped customers find specific items across stores
- Handled transactions at the registers and started credit accounts

### Computer Lab Tech, St. Charles Community College, Cottleville, MO, January 2018 – May 2018

- Monitored student computer usage for suspicious activity
- Answered questions about computers, printers, and sites

## EDUCATION

**LaunchCode**, LC101 Programming Course — 2019 - 2019

**St Charles Community College**, A.A. — 2015 - 2018
